9) It will be seen from the Senior Surgeon's letter No. 5673 dt: 26-6-14 to the Secy Malnad Improvement Committee Shimoga that the S. Surgeon advocated for a separate servant for itinerating purposes on a pay of about 8 or 10 Rs with a fixed t.a. of Rs 4 p.m. and for a basket for pitching and unpitching and generally to take care of the tent. The Special Revenue officer, Malnad Improvement Shimoga recommended to Govt that the Sub Asst Surgeon might be allowed to entertain a dispensary cooly on a consolidated pay of Rs 10/ or on a pay of Rs 7 plus all^ce Rs 3. to carry his medical outfit during his rounds. (Vide para 9 of his letter No. 43 dt: 12-10-14). The D.C. Shimoga, in his memo on travelling dispensaries stated that

The Government, taking into consideration all these proposals, passed the G.O. dt: 9-7-15. in general terms and desired the Senior Surgeon to submit for the sanction of Govt in due course proposals for any increase of establishment and other expenditure absolutely necessary in consultation with the Mahad Improvement Committee and the Dy. commr. The S. Surgeon has accordingly submitted the present estimates. The D.C and the Committee are agreeable to them. Sd.

10) as the scheme is Experimental & tentative the Scale of Sup^y proposed may be sd. But the making of the fixed allowance of the servant & Mehtar can shortly be defined as fixed T.A. in lieu of all other T.A. - The cost of the tent may be 150 Rs as originally proposed (Class V) and for Extra medicines & appliances, the amount provided seems to be too large & appears to admit of reduction - about 25 or 30% of the usual quantity of medicine supplied to these hospitals may be added

Adm-39 K.C. 15.12.15 2) I am not sure whether it would not be false economy to strict 50 Rs for a tent. The tent will have to be constantly moved from place to place, and it would I think be a better plan to spend a little more, and purchase a good tent, rather than pay less and get a bad one.

3) As regards the Cat of medicines & appliances, I think the Senior Surgeon is a better judge of the requirements, and his proposal in this respect may be accepted without any modification.

4) Draft not accepting the opinion of the Financial Branch in respect of these 2 matters but accepting it as regards the ~~pay allowances~~ Pay & Allowances of the Sergeant and Lascar is submitted for approval or other orders.
